The average page that BBC ALBA stories appeared in the paper.

The number of stories with negative mentions of BBC ALBA

The number of stories with neutral content.

Total of all stories in each paper on any given month. SUM is the entire total of all papers for the month

The measurement of negative, positive and neutral column centimetres the stories generated.

The cost of buying that amount of column centimetres at the advertising rate for each paper as published by BRAD

Total column centimetre coverage for each paper for this month, with sum total of all papers at bottom

EXPLANATION OF RAW DATA TABLES

SUM: 42,257.22 **SUM:** 39 **SUM:** 14 **SUM:** 3 **SUM:** 6 **SUM:** 5 **SUM:** 8 **SUM:** 0 **SUM:** 5 **SUM:** 11 **SUM:** 0 **SUM:** 3 **SUM:** 2

Total cost of buying advertising space equivalent in size to the amount of column centimetres.

Stories where there was a mention of BBC Alba having an effect on people taking up Gaelic, or stories where BBC ALBA was involved with Gaelic projects in Schools

The actual number of photographs used.

The number of references to BBC ALBA or Alba TV

Where the essential details of a press release have been conveyed

The number of stories in which BBC ALBA or MG ALBA representatives or their counterparts in cooperating organisations are quoted verbatim

The number of stories in which BBC ALBA programmes are mentioned, even in passing

Letters from the public and also from ALBA representatives (These were often rebuttals of prior letters)

General stories mentioning the station, perhaps saying that someone was a presenter at BBC ALBA. Not about sport or specific programmes.

Football stories mentioning BBC ALBA.

Rugby stories mentioning BBC ALBA

Shinty stories mentioning BBC ALBA. Ice Hockey and hockey were mentioned too infrequently to justify a column of their own so they are noted in this column on the few times they appeared.
